

Disclaimer

The information provided by TankBuilder on our website, platforms, and related services is for general informational purposes only. By using our site and services, you acknowledge and agree to the following disclaimers:

1. Product and Design Disclaimer

- All tanks designed and quoted by TankBuilder are based on user-supplied information. It is the customer's responsibility to ensure that the dimensions, specifications, and intended use are accurate before confirming an order.
 - 3D models and renderings are visual representations only and may not reflect exact real-world materials, finishes, or proportions.
 - TankBuilder reserves the right to make adjustments to designs and specifications as needed during manufacturing to meet safety, design code, structural, or logistical requirements.
-

2. No Engineering or Installation Guarantee

- TankBuilder does not provide engineering, structural certification, or installation services unless explicitly agreed in writing.
 - It is the buyer's responsibility to ensure that the product is suitable for the intended application and installed by a qualified professional in accordance with local regulations.
 - Incorrect installation, misuse, or installation without proper documentation voids all warranties and liabilities.
-

3. Limitation of Liability

- TankBuilder is not liable for:
 - Any indirect, incidental, or consequential damages, including loss of business or profit.
 - Damages resulting from improper handling, installation, or modifications made by third parties.
 - Any issues arising from incorrect user input during the quoting or design process.
 - Our liability in all cases is strictly limited to the original purchase price of the product.

4. Delivery and Handling

- TankBuilder cannot guarantee delivery times due to third-party transport factors such as customs delays, weather, or logistics company schedules.
 - We deliver on a DAP (Delivered at Place) basis; offloading is the client's responsibility.
 - We are not responsible for any site-related costs such as offloading delays, access issues, or lack of lifting equipment.
-

5. Website Content

- All content on this website, including text, images, and downloadable files, is provided "as is" without warranties of any kind.
 - TankBuilder does not warrant that the website will be free of errors, interruption, or technical issues.
 - We reserve the right to update or modify content, pricing, specifications, and terms at any time without prior notice.
-

6. External Links

- Our website may contain links to third-party websites. TankBuilder is not responsible for the content, privacy policies, or practices of these external sites.
